

DR. YOGESH NARAYAN BENDALE
AYURVEDACHARYA
Doctor of Medicine (Ayurveda), (Gold Medalist), F.I.I.M.

Brief Summary

Dr. Yogesh Bendale is one of the leading practitioners of Ayurveda. He has treated thousands of patients having chronic and critical illnesses across the globe and has shown them the way towards achieving better health. He has achieved multiple International Patents on Cancer medicine and many such patents are in pipeline. His field work is not just limited to practice, academics but also includes evangelizing Ayurveda at National and International level. He is internationally renowned Ayurveda practitioner

Dr. Yogesh Bendale has long lasting experience in treating patients of chronic and critical illnesses. Dr. Yogesh Bendale and Dr. Vineeta Bendale took the initiative to build a full-fledged 175 bedded hospital in Germany which marked an epoch in the year 1996 when Ayurveda was not well known in Germany. Dr. Yogesh Bendale is the only recognized Ayurveda practitioner who has been conferred the right to practice independently in United Arab Emirates (U.A.E).

In his pursuit for excellence in medicine, Dr Yogesh Bendale has committed himself to make herbal and newer technologies to cure diseases mostly categorized as chronic and critical. In his passion to make herbal remedies more authentic, he is adopting most modern and sophisticated research technologies.

Dr. Yogesh Bendale runs one of the biggest R & D centre in Herbal medicine in India. He has already secured the international patent for green Nano- technology effective for cancer cures. He is in the process of securing additional patents for several diseases of serious nature.

Dr. Yogesh Bendale is in process of setting an outstanding state of the art Ayurvedic - Herbal therapy centre accessible to patients suffering from chronic and incurable diseases from across the globe to secure benefit of modern scientific and organized therapy from this state of art center. This project will attract global population to seek remedies for the treatment of chronic diseases in this medical Centre.

Research & Development: Patent

Patents - 52 international patents

Drug Development

He has developed couple of molecules based on Fundamentals of Ayurveda. These molecules have shown promising results in preclinical studies. One molecule is under review of DCGI for approval to Phase-III study. Another molecule has been approved by DCGI for conducting Phase-I clinical study and is being studied in Phase-I unit of ACTRECT (Navi- Mumbai)

Professional Experience

- 1. Chairman and MD – Rasayani Biologics Pvt. Ltd., Pune, India**
RBPL is a startup biotech company focused on R&D in the fields of Oncology, Immune-Modulators, Vital Organ Protectors and Agricultural Biotechnology. February 2007 onwards, as a Chairman and Managing Director of the Research based company, Dr. Bendale is contributing his expertise towards Vision and Mission of the respective goals and overall growth of the company.
- 2. Director – Ayurveda Rasayani, Pune, India**
Ayurved Rasayani is engaged in manufacturing a wide range of high quality Ayurvedic medicines and also organizes health camps and seminars in India
- 3. Director – Essential Foods Pvt. Ltd., Pune, India**
EFPL is a food technology company with well established brands and products marketed in the Gulf countries, Europe and USA, from 2000 to 2006
- 4. Director – “ Ayurveda” National And Overseas Pharmaceutical Consultants**
This firm provides management, R&D and scientific consultancy to Ayurvedic manufacturers to help them achieve high growth, from 1998 till date
- 5. Board Member – Tilak Ayurveda Mahavidyalaya, 2010 till date**
- 6. Governing council member - College of Pharmacy**
- 7. Governing council member - MIT College of Engineering**
- 8. Founder President – Association for Consciousness and Knowledge of Vedic Sciences, Paris, France**
Charitable organization, started in 1998 and it is active all over Europe.
- 9. Patron – The Bhandarkar Oriental Research Institute**
- 10. Secretary – European Academy of Ayurveda, Italy**
This well established organization conducts educational courses on Ayurveda all across Europe, from 2001 till date
- 11. Secretary – Sai-Dhanwantari Institute of Ayurveda, Netherlands**
This institute has achieved great success in carrying out clinical research and Ayurvedic R&D in the Netherlands, from 2010 till date

Nonprofit organization involved in the propagation of traditional Indian culture and knowledge among the young generation, from 2006 till date
- 13. Chief Editor – Rasamruta e-Journal**
A monthly science journal circulation to over 2000 doctors, from 2009 till date

Professional Membership and Association

1. Life member - National Integrated Medical Association
2. Life member – Rashtriya Shikshan Mandal, Pune
3. Member - Vaidic Sanshodhan Mandal - a Research Institute Of Vedas.
4. Examiner - Indian national competition on Ayurvedic Drug manufacturing
5. Ex. Professor - Tilak Maharashtra Vidyapeeth, Pune, India
6. Professor of Ayurveda to students from all continents
7. Active participation in various International and National Seminars for presentation of publications and delivering lectures etc

8. Worked with various organizations at top ranking position for propagation of Ayurveda in UK, Netherlands, Italy, Germany, France, Gulf Countries, etc.

Publications

International Publications:

1. Y N Bendale, V Y Bendale, S Paul, S S Bhattacharyya, Green synthesis, **Characterization and anticancer potential of platinum nanoparticles Bioplatin**, *Journal of Chinese integrative medicine*; Volume 10 (6), page-681-689; 2012.
2. Y N Bendale, V Y Bendale, **Importance of Ayurvedeeya Dravya Shodhan vidhi** (Detoxification), Dirghayu International, 1998.
3. Y N Bendale, V Y Bendale, **Efficacy of Mahayogaraj Guggul in katishool** (Treatment of Lumbago), Dirghayu International, 2000.
4. Y N Bendale, V Y Bendale, **Clinical evaluation of Rasagandha in shool** (Treatment of Arthralgia), Dirghayu International, 2001.
5. Y N Bendale, V Y Bendale, **Efficacy of Parijatak guti in Jwara** (Treatment of pyrexia), Dirghayu International, 2002

National Publications:

1. M Kulkarni, G T Panse, B A Kulkarni, Y N Bendale, **Characterisation of Raupya Bhasma by using modern analytical techniques**, *Journal of Indian Medicine and Homeopathy*, Volume 3, No.4, P No. 48, 2004.
2. M P Wadekar, C P Rode, Y N Bendale, K R Patil, A A Prabhune, **Preparation and Charatecrisation of Copper based Indian Tradiotional Drug: Tamra Bhasma**, *Journal of Pharmaceutical and Biomedical analysis* 39, P 951 – 955, 2005.
3. M P Wadekar, C P Rode, Y N Bendale, K R Patil, A A Prabhune, A B Gaikwad, **Study of the effect of Calcinations cycles on the preparation of Tin based Ayurvedic Drug: Studies on its formation and characterization**, *Journal of Pharmaceutical and Biomedical Analysis* 41, P No. 1473 – 1478, 2006.
4. M P Wadekar, S K Takale, Y N Bendale, P Sethi, C V Rode, A Prabhune, **Methodology for elucidating mechanism of the formation of metal based Ayurvedic Bhasma**, ICC 2008.
5. Y N Bendale, B A Kulkarni, S S Kadam, P S Khandagle, R W Jawale, R G Sarawadekar, **Chemical and structural Investigations of some commercial sample of Diamond based ayurvedic drugs – Hiraka Bhasma**, 21 – 22, Jan 2010
6. Y N Bendale, **Clinical evaluation of Vaman (emesis) in different laboratorial investigations in Bronchial Asthma.**

International Seminar / Conference:

1. Y N Bendale, V Y Bendale, **Chemistry of Varna (Colour) with respect to Rasashastra (Ancient Chemistry)**”, 1st International Seminar on Complimentary Medicine, Pune 1995.

2. Y N Bendale, P S Khandagle, M P Wadekar, A Prabhune, R D Kankaria, S D Pradhan, **Thermal Decomposition patterns of some marine products of pharmaceutical importance**, 18th IUPAC conference of Beijing, China, 2004
3. M P Wadekar, Y N Bendale, A Prabhune, P S Khandagle, P Khanna, **Synthesis and Characterization of a Copper based Ayurvedic Drug: Tamra Bhasma**, 15th International conference on Pharmaceutical and Biomedical analysis, Florence, Italy, 2004.
4. M P Wadekar, S S Takale, R Lad, R D Kankaria, Y N Bendale, A Prabhune, **Characterisation of Zinc based Ayurvedic Drug Jasad Bhasma Synthesized using plant materials**, International conference on Drug analysis, University of Namur (Belgium), May 2006.
5. R W Jawale, M P Wadekar, Y N Bendale, B A Kulkarni, S S Kadam, V V Dhapte, **Study of the Nanosaturated Carbon based Ayurvedic Drug Hiraka Bhasma using modern analytical techniques**, International conference on NANO Bio and NANO Solar, Amrita Institute of Medical Science, Cochin, Kerala, 2012
6. V V Dhapate, B A Kulkarni, R Lad, S Dhamal, V Dhapate, Y N Bendale, **Role of Medicinal plants in the synthesis of metal based Ayurvedic Bhasmas**, International Conference on “Current trends in Medicinal Plant Research”, 10th and 12th January 2012, at University of Pune, India.
7. Y N Bendale, V Y Bendale, **Standardization of silver Bhasma, International seminar on co-ordination chemistry**, Germany.
8. M P Wadekar, S Dhamal, V Dhapte, S S Takale, Y N Bendale, B A Kulkarni, S S Kadam, **Production and Characterisation of Medicinally Important Silver – Based Nanoparticles Through Ayurvedic Process of Bhasmikanana**, ICCC 41 Singapore 2014.

National Seminar / Conference:

1. Y N Bendale, V Y Bendale, “**Ghanasar**”, National Seminar on theory and practice of herbal extracts, 1996
2. R W Jawale, M P Wadekar, Y N Bendale, B A Kulkarni, S S Kadam, **Elucidation of chemicals and structural features of traditional Ayurvedic Drug Hiraka Bhasma**, 26th Annual Conference of Indian Council of chemists, Dr. H S Gaur University, Sagar (MP), February 2007.
3. S Dhamal, M Deshmukh, M P Wadekar, B A Kulkarni, Y N Bendale, **Comparative study of Calcium based Ayurvedic Drug Kapardika and pure Calcium Carbonate**, Indian Council of chemist’s Hydrabad, 2011.
4. R W Jawale, M P Wadekar, Y N Bendale, S K Takale, R Lad, V Y Bendale, **Transformation of microscopic iron state into nanometric Bhasma state through Ayurvedic process of Bhasmikanana**, Indian council of chemists 31st annual conference, 26th – 28th December 2012.
5. B A Kulkarni, V V Dhapate, S Dhamal, M Deshmukh, V Y Bendale, Y N Bendale, M P Wadekar, **Role of Sulphur and Sulphur compounds in synthesis of metal based Ayurvedic drugs**, National conference organized by DIAT, Pune, 14-15 January 2013.
6. Bendale Yogesh, Kadam Avinash, Patil Anand, Gund Pravin, Birari-Gawande Poonam, Bendale Vineeta and Natu Ramesh. **The Metal based Ayurvedic Nano Compounds in Cancer Therapy: An Unexplored Goldmine for Research** International Conference on Cancer Research: New Horizons (ICCR 2015), 19-21 November 2015, NCCS, Pune

Achievements

National Awards:

1. “RASHTRASEVA PURASKAR” - Manibhai Desai Pratishthan, Pune, 2005
2. “JEWEL OF INDIA AWARD” - International Institute of Education and Management, New Delhi
3. “Rishitulya Vyakti Satkar”, Award by Pune Municipal Corporation, India, 2008
4. “Vyavsayik Gunavatta Puraskar” (Professional Excellence Award in the field of Ayurveda and Pharmacology), Rotary Club of Pune Prime City, October 2011
5. “Outstanding Achievement and Excellence Award in the field of AYURVEDA” - Shahid Bhagatsingh, Rajguru and Sukhadev Chetanamancha, Pune, handed over by Prof. (Dr.) Vishwanath D. Karad (Founder, Executive President and Managing Trustee, MAEER's MIT, Pune), September 2013

International Awards:

1. ‘*Best paper International Award*’, Seminar on Stress Management, 1997
2. “Outstanding Achievement in R & D and Quality Excellence Award” – Eurobiz Ayurveda, handed over by The Mayor of The Netherlands, Europe, 2009
3. Honoured By delivering Speech on Ayurveda in UNESCO CHAIR.
4. “Asia Pacific Achievers Award”, In recognition of sterling merit excellent performance and outstanding contribution for the progress of the Nation and worldwide. On the Occasion of Asia Pacific Achievers Summit, 15th June 2014, Tashkent – Uzbekistan, Russia.

Felicitations

1. By Mr. Anil Deshmukh, Minister for Food, Civil Supplies and Consumer Protection, Government of Maharashtra, India on the occasion of Platinum Jubilee of Kavi Kulaguru Kalidas Sanskrit Vishwavidyalaya, Ramtek.
2. By Prof. Vishwanath Karad, Founder President, MAEER's MIT Group, Pune, on the occasion of Rishipanchami Ceremony.
