TO WHOM SO EVER IT MAY CONCERN

In view of Covid-19 situation from 23.03.2020, all the classes / teaching activities were suspended as per the circular and guidelines issued by Government of India and State Body till 19/05/2020 and the institute has resumed functioning with 100% teaching and non-teaching staff members from 20/05/2020. Wherever hospital continued functioning as per the routine and all the Interns/PG Scholars/staff members who were entrusted with the hospital work / duty continued their respective assignments.

But, in view of safety measures for the prevention of Covid-19 and guidelines issued by Government of Karnataka, biometric attendance system has been withdrawn from 23/03/2020 to 31/05/2020 for all the staff members of College/Hospital/Pharmacy and PG Scholars. Considering the latest guidelines and safety measures, introduced face identification biometric attendance system and has been regularised with effect from 01/06/2020 onwards.
