KLE Society-The Sponsoring Society

KLE Society established in 1916 by seven dedicated Teachers (aptly called as Saptarishis) and three Patrons, transformed the educational backward region of Northern Karnataka into a fertile land of education. Presently, KLE Society is successfully running 270 institutions spread across Karnataka, Maharashtra, and Goa. Starting from play school upto Medical education (Medical, Dental, Ayurveda, Pharmacy, Physiotherapy and Nursing Science), the entire range of educational institutions.

“Re-Accredited ‘A’ Grade by NAAC”

K.L.E. ACADEMY OF HIGHER EDUCATION & RESEARCH ESTABLISHED

The great visionary efforts Dr.Prabhakar Kore,MP, Chairman KLE Society since 1985 have been pivotal in deciding to march ahead into a new millennium as an autonomous University, thereby opening up the unexpected horizon in the field of education. The K.L.E. Academy of Higher Education & Research was established on 13th April, 2006 as per the Ministry of Human Resource Development, Government of India, Notification No.F.9-19/2000-U-R(A) dated 13th April, 2006, under the recommendation of University Grants Commission.

“Placed in Category ‘A’ by MHRD, GoI”

KLE Shri. B.M.K. Ayurveda Mahavidyalaya, Belgaum. (Estd. in 1933)

Inspired by the way an Ayurvedic Physician diagnosed the miserable condition of wife, Late Shri. Basappa Kankanawadi, a retired Police Officer established this institute in 1933 by donating all his retirement earnings Rs. 50,000/- On Feb. 2009, the institute came under the ambit of KLE University.

Research & Development

Medicine Manufacture :

Quality medicines are very important for success of treatments, KLE Ayurved pharmacy manufactures medicines under GMP certification by following sops. The raw as well as finished goods are tested for qualities in AYUSH certified ASU Drugs Testing Laboratory of Central Research Facility. Application of GRAHYA LAKSHAN is the unique leature of our teaching pharmacy. The Pharmacy provides practical exposers to UG and PG students in imparting medicine manufacturing skills.

Central Research Facility :

Research explores the unexplored, explains the unexplained and provides scientific base. Methodical research is essential to bring Ayurveda to global acceptance and to put forth the principles of ayurveda on the lines of evidence based practices. A CENTRAL RESEARCH FACILITY (CRF) comprising of five units. Analytical Laboratory, Medical Research Centre, Animal experimentation Laboratory, Microbiology Unit, Scientific Publication & Documentation Division is established to cater the research needs of research scholars. All the research activities of the institution are screened/ approved /regulated/monitored by :

- 🌿 Institutional Research Committee -Pre & Para Clinical subjects
- 🌿 Institutional Research Committee - Clinical subjects
- 🌿 Institutional Animal Ethics Committee
(Constituted as per CPCSEA guidelines)
- 🌿 Institutional Ethics Committee for Human subjects
(Constituted as per ICMR guide lines)
