PREFACE

Calendar is a system for dividing timely activities into fixed periods and for marking the beginning and end of the events throughout the year.

Our institute has brought up its first calendar of events in the year 2009. Since then, every year we have continued the systemic documentation of the “Calendar of Events” which have all the well-structured academic data, meticulously preplanned academic, administrative, research, co-curricular, extracurricular activities and different proactive committees who actively participate to facilitate smooth functioning of the institution.

Shri. B. M. Kankanwadi Ayurveda Mahavidyalaya was established in 1933, now we are entering into next year with more confidence & new goals. The institute also focuses on yearly themes for College, Hospital & Pharmacy. It’s been always a great pleasure to IQAC in arranging whole year events in systematic manner, helping office to select the themes, printing and release. 2026 calendar of events is wholeheartedly dedicated towards centenary celebration with intake of 100 Post Graduates in highest specialities, after remarkable achievement of 92 years boosts our enthusiasm to look ahead and accomplish our goals.

IQAC thank all HoDs, Unit In charges, teaching & non-teaching faculty for their active participation and timely submission of the events for bringing up this “Shatasampada -2026” document.
